## Meal Plan FAQs

### How do I pay with my Meal Plan?

Once you have made a deposit into your account, login to the meal plan homepage on your phone at <https://aladdinacuny.com/cuny> and tap Display Virtual ID. This barcode is what you scan at the register. You can add it to your digital wallet (Apple, Google) or display it on the webpage when you check out. If you are unable to use your phone for payment, you may print the barcode and use it at the register.

### How do I check the balance of my meal plan?

Account balances, transaction history, and account activity can be found at the CUNY Dining Portal, found at <https://aladdinacuny.com/cuny>.

### When do my Dining Dollars expire?

Dining dollars automatically expire after 1 year of inactivity. As long as you are using your meal plan, there is no expiration date.

### Can I deposit less than \$100?

The website is only set to the four amounts listed, hence why we provide bonuses for each tier. While you may refill your plan with any of the four amounts, you may not deposit a custom amount.

### Who do I contact with questions or issues with my meal plan?

Please fill out the Contact Us form on our website, and a member of our staff will reach out to you as soon as possible.
